ВСТУП

Методична розробка містить тестові завдання на використання умовного способу в англійській мові. Подано тести на різницю у використанні форм умовного способу, які викликають найбільші труднощі при вивченні англійської мови.

Тестові завдання дають змогу перевірити чітко визначений обсяг матеріалу, є змога охопити тестуванням усю групу студентів, інформацію про рівень знань студентів можна отримати за дуже короткий час (завдання виконуються протягом 10 хвилин). Крім того, використанням тестового контролю викладач стимулюватиме поточну роботу студентів, адже часте проведення невеликої за обсягом перевірки привчає студентів до регулярних занять іноземною мовою.

Тестові завдання можуть бути використані як для підсумкового контролю, так і для проміжного контролю знань з граматики англійської мови і умінь застосовувати їх на практиці. Тестовий характер завдань сприяє об'єктивній оцінці знань студентів на основі достовірної інформації. З підрахунку помилок виводиться об'єктивна оцінка – “задовільно” – якщо 2/3 завдань студент виконав, “добре” – якщо допущено 3 помилки, і “відмінно” – за наявності не більше 1 помилки.

Призначено для студентів 2 курсу факультету міжнародних відносин, а також усіх, хто вивчає англійську граматику.

TEST 1

CONDITIONAL 2 (PRESENT)

Variant 1

1. If you (speak) _____ English every day you would speak it better.
a) spoke
b) speak
c) would speak
